PRESS RELEASE

Default Attorney Group Announces Organizational Change for 2010

December 23, 2009: Default Attorney Group (DAG), a nationwide association of legal professionals serving mortgage lenders and servicers, announces an organizational change for 2010. Since its formation in 2007, DAG has been privileged to have Kathleen Guerrette-Mitchell serve as the organization's Executive Director, providing leadership in establishing the organization's structure, mission and vision. With the organization now well founded, Mitchell will leave her post to more fully pursue her consulting practice, kgm consultants, llc.

"Kathleen's stature in the industry was instrumental in giving DAG instant credibility at its formation, and her leadership has been a driving force in enabling us to be an industry leader. We are very grateful to have had her service during this period," said Alan Such, Managing Partner of Fein Such Law Group and a Managing Member of DAG.

He and the two other Managing Members, Berry F. Laws, III of Martin, Leigh, Laws & Fritzlen, P.C., and John Duncan of Pite Duncan, LLP, will continue in leadership roles for the group. Dawn Williams, who has executed DAG's event plans since 2008, will take on an expanded role in 2010 as Director of Marketing and Operations.

"DAG is a well established and well respected group within the default industry," stated Mitchell. "It has been a privilege to have been a part of that growth, and I look forward to continuing to work with DAG in a consulting capacity."

Central to DAG's mission is its commitment to providing high quality training to servicers nationwide through its Default Symposia series. In 2010, DAG plans to offer 3 such events, with its fourth annual Dallas event in June 2010.
